

Eliane

Eliane H. was born July 27, 1999 in Phoenix and has lived in Scottsdale her entire life. She began riding at the age of 5 in Cave Creek before starting lessons with Jen Forrest at age 7. The first horse Eliane established a true connection with was her beloved Badger, who had lots of personality and is still talked about today with great fondness. Eliane joined Pony Club because it seems interesting and is a way to enjoy horses and friends at the same time. Her favorite reading material is the Canterwood Crest series. Eliane's dream horse would be a bay thoroughbred named QT Pie. When not busy with riding and Pony Club, Eliane enjoys art, camp, reading and socializing. The biggest influence in her life is her family because they help her achieve her goals.
