

The name 'Jillian' is written in a stylized, cursive font. The letters are red with a thick blue shadow or outline, giving it a 3D, pixelated appearance. The 'J' is particularly large and loops around the first 'i'. The 'l' is tall and thin, and the 'i' is small with a dot. The 'a' is a simple loop, and the 'n' is a simple curve.

Red-headed Jillian was born in Redwood City, California. Coincidence? Jillian has been riding ponies since the age of one, although formal instruction didn't begin until she was five where she took her first lesson at the Phoenix Zoo. She's been riding with Jenafer Forrest with *Get Over it Farm* at Winter Rose Equestrian since October 2011.

Jillian joined Pony Club because she loves horses and thought it would be fun to learn to take care of a horse and trot all by herself! Her favorite horse is Toby because he is so sweet and rides well with her. Her favorite horse book is *100 Facts about Horses and Ponies*, and her dream horse would be a Palamino named Pie. Besides riding, Jillian loves to roller skate and ride bikes and scooters with her friends. She also likes arts and crafts and swimming. Jillian says her mom is the biggest influence in her life because she takes care of her, makes her feel better and tucks her into bed when she can't sleep
