

# KENZIE

Scottsdale, AZ native, Kenzie has been riding for three years. Besides riding, she enjoys singing, dancing and drawing.

Kenzie joined Pony Club to ride and compete with other Pony Clubbers. Her goal is to become a better rider. World-famous *Cedric* is Kenzie's favorite horse because he is a great jumper. Her favorite book is *Horse Diaries*.

Kenzie's dream horse is a 12hh Welsh pony named "Jimmy Neutron." Her dream came true, when for her Birthday, she was told that she would be leasing her dream pony—Jimmy Neutron. That was the most exciting thing that has happened to her.

Kenzie would like to attend ASU and possibly be a veterinarian. When she grows-up, Kenzie would like to be a horse trainer.

The biggest influence in Kenzie's life is her Nana Susan because she loves and adores horses. Nana Susan even had a horse of her own when she was little!
