

# Myka

Born in Scottsdale, AZ August 22, 1999, Myka has been riding horses for a while in camps and just for fun. Only recently has she started getting into horseback riding seriously.

Myka likes to dance and all kind of animals. She joined Pony Club to learn more about horses and to get better at riding. Myka wants to learn how to jump. Her favorite horses are Jitterbug and Jelly Bean. Myka's dream is a black and white paint horse.

The biggest influences in her life are mom and dad because they support her through everything she does.
