

Nellie

Scottsdale native, Nellie has been riding horses for just a year. Besides riding, Nellie enjoys art and rock collecting. Nellie joined Pony Club because it's lots of fun and she can really learn to ride! Nellie wants to learn to jump - a lot of the Olympic riders got their start in Pony Club!

Nellie's favorite horse is her horse, *Mustang Sally*. *King of the Wind* by Marguerite Henry is her favorite book. Nellie's dream horse is *Pegasus*, a blood bay and looks like Sally.

Her future aspiration is to go to vet school to be a horse vet, she also wants to continue to ride and to be an artist. The most exciting thing that has happened to Nellie was that she recently won the 2012 Bumble Bee Competitive Trail ride Junior division and her horse won her division!

The biggest influences in Nellie's life are the animals that live with her family. Why? They are really great and each one has its own personality - just like art she likes to make.
